BOAT SLIP/ BULKHEAD REQUEST FORM

DATE:

Location: Boat Slip Bulkhead

Name: _____

Phone Number: _____

Lot Number: _____

Type and Length of Boat: _____

Additional Request Information:

Please be aware that we look at all request forms. Please also be aware that we may not be able to honor all requests. We do have a request list started, and your name is put on that list in the order it was received. Any requests for outside slips on A and C section also have a separate list started. Outside slips rarely become available, and there is already a significant amount of people signed up on that list. It takes time to organize the boat slips once the season opens and could take up to 2 or 3 weeks after opening that we contact you about a possible boat slip or bulkhead.

Sincerely,

Shawn's Park LLC
